

When Margins are Thin, Every Penny Counts

Make Sure You're Using the Best Payment Processor

Save Money on Your Payment Processing with Chase Paymentech

As the endorsed provider for the MSSA, Chase Paymentech delivers unbeatable products and services designed for MSSA members:

- Technology designed to qualify transactions at the most competitive rates
- Support for several petroleum POS systems on the market
- Communication methods including dial-up, Internet and VSAT
- Variety of payment options including Voyager® and Wright Express®
- Special member processor fees with Visa® and MasterCard® rebates

Who is Chase Paymentech?

Chase Paymentech's comprehensive payment processing solutions combine the services you need with the value you want. We designed them for the long-term growth and profitability of businesses like yours. Whenever you have a question, we have trained professionals standing by to give you an answer.

From our toll-free terminal support help desk available 24 hours a day, seven days a week, to our experienced customer service and retrieval/chargeback resolution specialists, we are on duty to support your needs. So your search for a payment processor can begin, and end, with Chase Paymentech.

Our Commitment and Promise

Service. Quality. Innovation. These are the keys to Chase Paymentech. Our first commitment is to meet your needs as our business partner. You'll see our commitment clearly in our employees, perhaps the most knowledgeable in the industry – a team dedicated to finding better, more productive methods and technologies for doing business. You'll see our commitment in our products, which offer the fastest, most up-to-date solutions to your credit card processing needs.
