MSSA has teamed with Axxis Petroleum (an Opis company) to provide members with affordable rack pricing through the internet.

For only \$25per month (\$300 annually must be paid upfront for the 1st year), MSSA members can access daily rack pricing for gas and diesel. This option lists all gas prices for all brands and ethanol content posted at each of 13 terminals.

Once you've signed up for this program, all you have to do is go to the MSSA web page, [www.mnssa.com](http://www.mnssa.com), and follow the Rack Pricing links to enter your ID and password!
