Are People **BORED** with Your **BOARD**?

If they are, then you're losing out on **potential** customers!

Digital Arts can elevate your exterior LED Sign or Electronic Message Board to a whole new level with custom LED graphic services.

If you've invested in an outdoor LED sign or electronic message board, then you should be creating new customers and keeping current customers happy with your content and images.

With Digital Arts, you can display targeted marketing messages that feature richer, crisper, more vibrant images designed to catch people's attention and beat your competition. This is outdoor marketing that can truly be a game-changer for your business!

We have more than 30 years of expertise nationwide in providing clients with memorable message board graphics, logos and animations tailored to their specific products and services. We can provide remote programming and sign management, giving you the ability to change your sign's content monthly, weekly or even daily.

Digital Arts *CUSTOM* LED Graphics Will Help You:

- Create memorable impressions of your business
- Target your key messages to the right people at the right time
- Attract more attention
- Introduce new products and services
- Promote offers
- Publicize events
- Recognize achievements
- Enhance customer retention
