## MSSA has a great deal for you from

### Your membership with MSSA qualifies you for...

- Quarterly rebates through the MSSA on qualified products (Interstate, Power Volt) based on the following tier discount system:
  - Dealers who sell 0-99 batteries on an annual basis receive a 5% discount
  - Dealers who sell 100-149 batteries on an annual basis receive a 7% discount
  - Dealers who sell 150+ batteries on an annual basis receive a 10% Discount

\*All discounts will be applied on the invoice at the time of service and will be labeled discount on the line below the subtotal.
- Racking and product identification are delivered with battery inventory. Point-of-sale items are delivered upon request at no cost to you!
- All products will be cosigned unless otherwise specified by MSSA member. MSSA will primarily stock Interstate branded automotive batteries, but all of Interstate's parts and brands are available.
- Product training available through Interstate Battery training network.
- Access to advertising resources of Interstate Batteries Systems of America.
- Quarterly promotions available to increase sales and profitability.
- Quarterly incentive programs available through promotions for employees and customers.
